Not sure about availability.

Only the Year of the Horse figurines **#S128** and **#S129** may or may not be available this year, due to the recent tariff increase imposed on goods mailed from Japan. Packaged mail has been suspended for the past 2 months, because details of the tariff have not been ironed out. We are still waiting for updates. Fortunately, we managed to get most of the figurines in stock. **#S128** and **#S129** are the only 3 horse figurines that we are still waiting on. If you are interested in any of them, let us know and we can keep you updated of any progress. We apologize for the inconvenience.
