*Located in the beautiful valley of Takase River of Fukushima Prefecture, "Soma" Ware originated more than 400 years ago and is known as the most elegant and tasteful earthenware in Japan.*  
*All handmade, its crackline design and green celadon color makes "Soma" Ware famous and not found elsewhere in other parts of Japan.*  
*"Some" Ware can withstand extreme heat and cold compared to other china and earthen ware. Its "double" walled composition keeps and retains liquid hotter much longer and does not feel hot from the outside.*
